Description of the Proposal

Please indicate all those matters for which approval is sought as part of this outline application (tick all that apply)

- ☒ Access
- ☒ Appearance
- ☐ Landscaping
- ☒ Layout
- ☒ Scale

Note: if this application is approved, the matters not determined as part of this application will need to be the subject of an "Application for approval of reserved matters" before the development may proceed.

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

- ☒ Yes
- ☐ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

- ☒ Yes
- ☐ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

- ☐ Yes, on the development site
☒ Yes, on land adjacent to or near the proposed development
☐ No

b) Designated sites, important habitats or other biodiversity features

- ☐ Yes, on the development site
☒ Yes, on land adjacent to or near the proposed development
☐ No

c) Features of geological conservation importance

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.

[Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.](#)

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

- ☒ Yes
☐ No

Please provide the pre-development biodiversity value of onsite habitats on the date of calculation

0.33

Please provide the date the onsite pre-development biodiversity value was calculated

23/01/2024

Note: This should be either the date of the application, or an earlier proposed date

If an earlier date, to the date of the planning application, has been used, please provide details why this date has been used

We have used Biodiversity Metric 4.0 to calculate this. This calculation was used to aid the determination of the previous reserved matters on site.

Please refer to the Covering Letter included within this application.

Which version of the biodiversity metric was used?

When was the version of the biodiversity metric used published?

Please provide the reference or supporting document/plan names for the:

- i. Biodiversity metric calculation
- ii. Onsite irreplaceable habitats (if applicable)
- iii. Onsite habitats existing on the date of the application for planning permission (if applicable)

Document/Plan: Biodiversity metric calculation Document name/reference: BNG Baseline Report BEK-22035-4 Rev A and Biodiversity Metric 4.0

Note: You must supply a complete biodiversity metric calculation with your application. Plans must be drawn to an identified scale, and show the direction of North.

Has there been any loss (or degradation) of any onsite habitat(s), resulting from activities carried out before the date the onsite pre-development biodiversity value was calculated. Either:

- on or after 30 January 2020 which were not in accordance with a planning permission; or
- on or after 25 August 2023 which were in accordance with a planning permission?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
