# Biodiversity net gain Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so. Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required. Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply? Yes ○ No Please provide the pre-development biodiversity value of onsite habitats on the date of calculation 0.15 Please provide the date the onsite pre-development biodiversity value was calculated 22/05/2024 Note: This should be either the date of the application, or an earlier proposed date If an earlier date, to the date of the planning application, has been used, please provide details why this date has been used Which version of the biodiversity metric was used? Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff
(b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having
considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?  ○ Yes
