**Comments:** I as [REDACTED] planning application I would like to express our concerns and appose this planning application due to the following reasons.

1. The proposed plans would require moving the stone lintel above the doorway(which is [REDACTED] [REDACTED]) and slabs around the door way which is [REDACTED]
2. The porch would be built on the inside of the [REDACTED] which in the future if any work would needed to be carried out, the wall would not be accessible from the side of the neighbouring property [REDACTED].
3. No other property on the street has a porch and I feel this would not be in the upkeeping of the street and furthermore the stone being used aesthetically does not match the street in anyway.
4. I often [REDACTED]. I feel this porch would restrict the light [REDACTED]

I ill look forward to the response from the next planning meeting in due course and hope these concerns can be taken into account.
