

XP GLIDE

SLIDING DOOR HANDLE OPTIONS

Our XP Glide sliding door is available with a wide range of five different handle colours including a stainless-steel feature handle. The door handles can be seen first-hand in our showrooms, which all display our products in various colours with various coloured handles also.

You can also view our handle boards first-hand in any of our showrooms. Your handle colour will be confirmed at survey or at the point your order goes into manufacture.
