27th June 2024

Discharge conditions 1-4 Millhouse Farm Chipping Road Chaigley BB 7 3LS 3/2022/0650

We submit our application to discharge the above conditions to enable demolition of the existing building to commence.

The applicant will be the main contractor as the previously house extension and barn conversion. Employing trades people as required.

The existing portacabin will be the site office and welfare building, supplemented by temporary toilet facilities maintained weekly.

Construction vehicles will be restricted to the site compound to prevent disturbing the adjacent houses.

The materials will match those approved in the previous applications; photographs attached.
