Dear Ms Hopkins

Application 3/2024/0564: Approval of details reserved by conditions 3 (materials), 4 (historical recording) and 8 (farmhouse render details) of listed building consent 3/2022/0967.

Crow Trees Farm, Crow Trees Brow, Chatburn BB7 4AA

Thank you for your consultation on the above application. The documentation submitted includes a copy of a Historic Building Record by Allen Archaeology (V1.0, March 2024). We were consulted directly by Allen Archaeology on this record and provided comments to them. As a result of those comments, a slightly revised record (V2.0, April 2024) was compiled and sent to us. This revision addressed our concerns and we recommended that it be submitted to yourselves as part of a formal discharge of conditions application.

Whilst we cannot recommend that the present version of the report is accepted, if the applicants can submit a copy of the revised report, the condition can be discharged.

Yours sincerely

Peter Iles
