Planning Application Reference No.: 3/2024/0581

Address of Development: 68 Mitton road Whalley BB7 9RY

Comments: I strongly object to the planning application to turn 68 Mitton road into a holiday let. This is a family residential neighborhood. There are hotels and other establishments where visitors can stay. It will be noisy [REDACTED]. We don't know who they are! Our gardens are peaceful and we respect each others' privacy. Although the parking plan shows 3 car parking places, there is likely to be more and this would cause an issue. Furthermore, you would struggle to get 3 cars on the drive. Currently, there is only ever 2 cars parked on the drive and one parked on the street, so the plan is wrong.

This is a residential neighborhood and people can't just decide to change their home into holiday lets in order to raise more money than if they rented it out to a family, who would contribute to the community.

We are really worried about this and we don't think it is fair on neighbours. [REDACTED]

[REDACTED] Please think about this carefully, and ask yourself if you'd be happy with strangers turning up every few days to be your non-neighbours. Thank you.
