## Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make Change the current wording of condition 15 to remove Part 14 Schedule 2 Class A (solar panels on the dwellinghouses) from the PD restriction: Condition 15 Current wording:-Notwithstanding the provisions of Classes A-I of Schedule 2 Part 14 of the Town and Country Planning (General Permitted Development) (England) Order 2015, or any Order revoking and re-enacting that Order, no renewable energy sources shall be attached to the dwelling, or placed within the residential curtilage, unless planning permission has first been granted by the Local Planning Authority. Condition 15 Proposed wording: Notwithstanding the provisions of Classes B-I of Schedule 2 Part 14 of the Town and Country Planning (General Permitted Development) (England) Order 2015, or any Order revoking and re-enacting that Order, no renewable energy sources shall be attached to the dwelling, or placed within the residential curtilage, unless planning permission has first been granted by the Local Planning Authority. Please state why you wish to make this amendment Chipping Parish Council and the Chipping Community Energy Group are exploring ways to move the community away from fossil fuels to low carbon sources of heat. Properties at Mills Way and Wolfs Fell Close use air source heat pumps for heating. Homeowners would benefit from rooftop solar PV installations which would reduce the amount of electricity consumed from the grid and reduce CO2 emissions relating to electricity generated using fossil fuels. Condition 15 was imposed in 2017 to enable the Local Planning Authority to exercise control over development which could materially harm the character and visual amenities of the development and locality and the amenities of nearby residents in accordance with Key Statement EN2 and Policy DMG1 of the Ribble Valley Core Strategy. Since this time there is a growing focus on the need to mitigate climate change. It is considered that the policy balance has changed in two ways since the Reserved Matters consent was granted in 2017. The urgency given to the Climate Emergency is such that measures to combat it now carry greater weight, and; the appreciation of the technology used in renewable energy is better understood and appreciated such that the use of such technologies is not considered a detractor to the character or amenity of the area. Are you intending to substitute amended plans or drawings? O Yes ⊗ No Site Visit Can the site be seen from a public road, public footpath, bridleway or other public land? Yes ○ No If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? O The agent Other person **Pre-application Advice** Has assistance or prior advice been sought from the local authority about this application? O Yes ⊗ No

| tt is an important principle of decision-making that the process is open and transparent.
