FAO Kathryn Hughes

Hello Kathryn, [REDACTED]. [REDACTED] from the hotel, the area where outdoor weddings are held. Could you confirm if the sheds are in the same area or the other side of the hotel?

We are having noise issues and are concerned this may be contributing?

Thanks

Comments: We object to the proposed plan as we are already concerned regarding the level of noise and believe this will only add to this. The noise level and potential [REDACTED] will be at a level that is non conducive to the rural life we anticipated when [REDACTED]. It will also potentially add to the already increased numbers of cars passing through the area
