Dear Sirs,

Re planning application: 3/2024/0645

With regards to the above planning application. We have great concerns regarding the proposed plans for North West elevation of the property.
We would be grateful if the Council would consider [REDACTED] concerns.

The proposed upper floor windows on the North West elevation will be detrimental to [REDACTED]
[REDACTED]. [REDACTED] Preston
Road or surrounding area. The inclusion of the proposed windows is of suburban character which would be unsympathetic to the rural surroundings, appearance and visual amenities of the area.

We hope the Council will seriously consider our concerns.

Regards,
