For the attention of Kathryn Hughes

I have already made a formal objection to this application but wish to inform you that again [REDACTED] [REDACTED] have suffered from noise and disturbance this weekend and made formal complaints accordingly ,

What I am finding very frustrating is that this is clearly an unauthorised use , notwithstanding this application and the operators continue to operate with impunity .

Whatever the outcome of this application submission the Council need to act to prevent this continuing breach .

What action is being taken ?
