DEVELOPMENT PROPOSED: Proposed conversion of existing agricultural building to dwelling and new domestic curtilage.

AT: Pinfold Farm Preston Road Ribchester PR3 3YD

Ribble Valley Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission **has been refused** for the carrying out of the above development for the following reason(s):

- 1 The proposal would lead to the creation of a new residential dwelling in the defined open countryside, located outside of a defined settlement, without sufficient justification insofar that it has not been adequately demonstrated that the proposal is for that of local needs housing that meets a current identified and evidenced outstanding need nor does the proposed dwelling benefit from adequate walkable access to local services or facilities thus placing reliance upon the private motor vehicles contrary to Key Statements DS1, DS2, DMI2 and Policies DMG2, DMG3 and DMH3 of the Ribble Valley Core Strategy 2008 - 2028. Whilst a fall-back position is acknowledged, which is a material consideration, this fall-back relates to a conversion with different policy considerations and so carries very limited weight in the overall planning balance.

- 2 The proposal, by virtue of the external appearance of the dwelling, changes in fenestration and materials and the resultant increased footprint and height would result in the introduction of an incongruous form of residential development which is overtly domestic and would result in a cumulative visually suburbanising effect of the landscape being of significant detriment of the character, appearance and visual amenities of the area contrary to Policies DMG1 and DMG2 of the Ribble Valley Core Strategy. Whilst a fall-back position is acknowledged, which is a material consideration, this fall-back is considered to result in less visual harm in comparison to the development proposal and so carries very limited weight in the overall planning balance.

Note(s)

1. Applications for planning permission are assessed against the National Planning Policy Framework and the policies within the Core Strategy for the Ribble Valley. The Local Planning Authority adopts a positive and proactive manner and will consider representations, liaise with consultees, and seek amendments to proposals where appropriate within statutory timescales.
2. The proposal does not comprise sustainable development and there were no amendments to the scheme, or conditions that could reasonably have been imposed, which could have made the development acceptable. It was therefore not possible to approve the application.
3. This Decision Notice should be read in conjunction with the officer's report which is available to view on the website.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
