Mount 17,52 - 21,52 mm
glass quickly and easily

Looking for a solution that lets you quickly mount laminated glass of 17,52 - 21,52 mm thickness and also gives you the ability to align each glass panel individually? Easy Glass® Smart+ is the answer. As with Easy Glass® Smart, you just have to mount the base channel, position the glass and – with just one hand movement – securely align each panel and fix it in place.

Easy Glass® Smart+ **UK** **BS6180**
Max. line loads (kN/m) 0,74

Please refer to the respective certifications for specifications of base channels, mounting details, glass sizes and specification.

Internationally tested/calculated/certified:

- With the adjustable Q-disc System, you can realign individual glass panels by up to 0.6° from the vertical.
- Q-disc gives you clear feedback in the form of 'clicks' that confirm correct installation.
- Suitable for laminated glass with a thickness of 17,52 - 21,52 mm.
