**Proposal** Proposed free-standing solar panel array adjacent to the existing earthwork bund with associated battery storage shed

Dear Planning Department

Lancashire County Council Public Rights of Way Team raises no objection to be above application as the development will not cause a significant effect to footpath FP0347013 which leads from Pendleton Road opposite the proposed development.

### Obstruction

Any obstruction of the existing public rights would be a criminal offence, as such the right of way should always remain clear, not to be excavated nor used to park or store materials, vehicles or machinery.

### Publicity of Application

All planning applications that affect a public right of way (footpath, bridleway or byway), must be publicised by site notice in at least one place on or near the land to which the application relates for not less than 21 days; and by publication of the notice in a newspaper circulating in the locality in which the land to which the application relates is situated.
