Thankyou for your enquiry.

Here at Sanderson Brothers we manufacture products which have been tested to achieve British Fenestration Council 'A' rating. This includes PAS24 security certification to satisfy Document Q for new build housing. Our 'CM GOLD' 3rd party certification ensures full compliance with CE marking regulations.

All our windows and doors are manufactured in hardwood (unless requested otherwise). Our products come factory finished with a four coat Sirca Paint system. Where applicable all products will be supplied fully glazed (unless requested otherwise) with 24mm LOW E, argon gas filled units. Where applicable MACO (windows) & Wink Haus (Doors) multipoint security locks are fitted as standard.

Please find below our supply only estimate, if you would like any further information please contact us at the email above.
