Planning Application Reference No.: 3/2024/0899

Address of Development: 35 Moor Lane Clitheroe

Comments: I note that there was no anticipated change to the exterior of the premises. However, a new sign has been fitted which is utterly inappropriate for the Conservation Area and does not enhance the premises in any way.
I would expect that the sign should have planning approval.

Comments: Whilst the application assures that no alterations will be made to the exterior of the building the newly erected signage is completely unsuitable. It is extremely unsightly and garish and warrants discussion by the planning committee .
