Dear Ms Hopkins

Application no. 3/2024/0904. RE-consult on Application to discharge condition no 10 (Written Scheme of Investigation) on Planning Permission 03/2023/0287. Bridge End Farm, Woodhouse Lane, Slaidburn.

Thank you for your further consultation and the attached Written Scheme of Investigation (WSI) for the archaeological recording of the buildings at Bridge End Farm.

Preparing a survey and reporting on it to the specifications set out in the WSI should produce an acceptable final report. I would, however, advise retaining the condition until the final report has been submitted

If this raises any queries please get in touch with us again.

Yours sincerely

Peter McCrone
