Morning All,

Good news. The Licence has been granted ahead of schedule. Please see below the emails from Natural England confirming that the site is now registered under the Bat Mitigation Class Licence, and that works can now commence on site as described in the submission documents.

Kind regards,

Christopher Shaw BSc (Hons) MCIEEM  
Principal Ecologist

Brooks Ecological Ltd

Dear Mr Christopher Shaw (RC207)

Thank you for submitting your site registration form (10387A) for Fair Oak Farm, Leagram in Bowland, Nr Preston, Lancashire, PR3 2QT Grid reference: SD 648460

Based on the information you have provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class licence WML-CL21.

Please find attached a licence return form which you must complete and return to Natural England ([BatLowImpactCL@naturalengland.org.uk](mailto:BatLowImpactCL@naturalengland.org.uk)) within 4 weeks of completion of licensed works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise your licence return will be expected no later than the **28<sup>th</sup> May 2025**.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below

Kind regards,

Neil Owen  
Natural England
