

Statement of Truth

In support of an application for a Certificate of Existing Lawful Use to establish the lawful use of a building and associated land as domestic curtilage at New Barn Farm, Alston Lane, Longridge PR3 3BN.

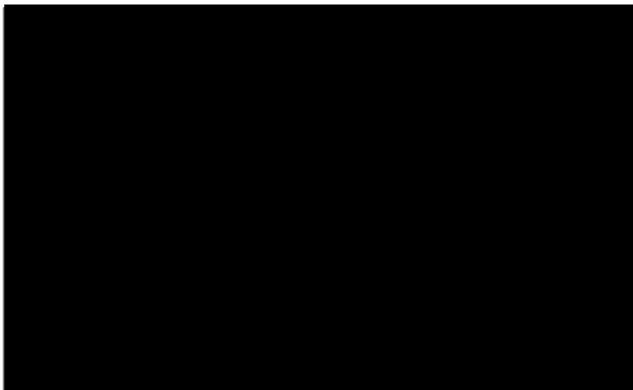

I, [REDACTED] do solemnly and sincerely state as follows:

1. My name is [REDACTED]
2. I am a close friend of the Applicant and I have known her and her family for 34 years. As a close friend I have visited New Barn Farm on many occasions since the Ethells' purchase in 2011.
3. Over the last 10 years I have frequently used the building to store cars and spare parts for renovation projects and I still have items stored there to date.
4. As a frequent user of the building, I have observed the use of the building over the years. The building has been used to store a variety of items ranging from trailers, cars, quads, field equipment, horse jumps, gardening equipment, animal feed, domestic tools and decorating equipment, furniture, BBQs, ladders, beekeeping equipment, bicycles and gazebos.
5. I am aware from conversations with Stephanie that the previous owners used the building for storage of domestic items and since moving across the road, they have continued to store their speed boat, ski equipment and many filing cabinets containing documents associated with home and work administration, within the building.
6. I confirm that the area edged red on the plan shows the land which is the subject of the Certificate of Existing Lawful Use application, with the barn also hatched in red. Given the nature of mine and others' use of the building there is no evidence of such use other than my knowledge, as set out above.
7. I confirm that I have provided this information and evidence in support of the application in good faith and with the belief that it is true and accurate and there is no intention to deceive. I acknowledge that the amended section 194 of the 1990 Act provides that it is an offence to provide false or misleading information or to withhold material information with intent to deceive. I understand that Section 193(7) enables the Local Planning Authority to revoke at any time, a certificate they may have issued as a result of false or misleading information.
