Subject: Parking Statement

Hi [REDACTED],

To confirm the terms of the parking agreement with the auction mart:

- 60 parking spaces are available to use from Mon-Fri, the hours of this are 6am – 6pm
- Staff working on the 6am-2pm shift will be using these spaces as well as office staff working 8am-5pm
- This is arranged to not overlap with their operations
- Other shifts plus visitors will be parking on site in the new layout proposed

Thanks
