**DEVELOPMENT PROPOSED:** Proposed partial demolition and partial new build of existing five-bedroom dwelling to create a new-build five-bedroom dwelling on the same site.

**AT:** Highcroft Painter Wood Whalley Old Road Billington BB7 9JD

Ribble Valley Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission **has been refused** for the carrying out of the above development for the following reason(s):

- 1 The proposed development would result in inappropriate development within the Green Belt by way of engineering operations which would result in spatial harm to the openness of the Green Belt and encroachment into the countryside. This harm identified is not outweighed by very special circumstances and as such, the proposal is therefore considered to be contrary to the provisions of Key Statement EN1 of the Ribble Valley Core Strategy and Section 13 of the National Planning Policy Framework.
- 2 The proposed development by way of its size, siting and materials of construction would be unsympathetic to the character of the surrounding area and would result in an overly prominent addition, which when viewed in the context of the adjacent terrace of dwellings would be harmful to the character and appearance of the street scene, contrary to Policy DMG1 of the Ribble Valley Core Strategy.
- 3 The proposed development would result in an adverse overbearing impact to the occupiers of the terrace of dwellings to the north of the site at no. 30 and 32 Painter Wood due to its size and siting, harming their amenity, contrary to Policy DMG1 of the Ribble Valley Core Strategy.

1. Applications for planning permission are assessed against the National Planning Policy Framework and the policies within the Core Strategy for the Ribble Valley. The Local Planning Authority adopts a positive and proactive manner and will consider representations, liaise with consultees, and seek amendments to proposals where appropriate within statutory timescales.
2. The proposal does not comprise sustainable development and there were no amendments to the scheme, or conditions that could reasonably have been imposed, which could have made the development acceptable. It was therefore not possible to approve the application.
3. This Decision Notice should be read in conjunction with the officer's report which is available to view on the website.

**Right of Appeal**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

**Purchase Notices**
