Good morning,

Following consultation with all members of the parish council we wish to emphasise the need to restrict construction traffic access to the site, **ONLY** via the nearby roundabout (A666 and A59) and **NOT** through Langho village centre, in order to protect the amenities of the villagers.

We commend the developer's promise to make good any resulting damage to the existing highway network. The road sweeping promise in the proposal should also be corrected to refer to Whalley Road and Northcote Lane South, rather than Manchester Road.

Kind regards

Billington and Langho Parish Council
