DEVELOPMENT PROPOSED: Variation of condition 2 on planning permission 3/2020/0498 for proposed construction of three holiday cottages with associated parking and amenity areas.

AT: Land to the North of Beech House Alston Lane Longridge PR3 3BN

Ribble Valley Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission **has been refused** for the carrying out of the above development for the following reason(s):

- 1 The proposed amendments by reason of design, bulk and massing and surfacing would result in unsympathetic and inappropriate additions/alterations that would be harmful to the character, setting and visual amenities of the surrounding locality by way of urbanising impact and would not constitute a small-scale tourism development that is appropriate to the rural area. As such the proposed amended scheme is considered to go beyond what could be considered a minor amendment within the scope of a Section 73 application and is considered to be in direct conflict with Policies DMG1, DMG2 and DME2 of the Ribble Valley Core Strategy, Policy LNDP3 of the adopted Longridge Neighbourhood Development Plan and Paragraph 135 of the NPPF.

APPLICATION NO: 3/2024/1039

DECISION DATE: 14/03/2025

-
- 2 The proposed development would allow for larger groups to use the accommodation than the approved development and insufficient information has been submitted within the application for the Local Planning Authority to be satisfied that the proposed development would not result in adverse noise impact to the occupiers of existing and future nearby residential receptors. As such the proposed amended scheme is considered to go beyond what could be considered a minor amendment within the scope of a Section 73 application and is considered to be contrary to Policy DMG1 of the Ribble Valley Core Strategy and Policy LNDP3 of the adopted Longridge Neighbourhood Development Plan.

Note(s)

1. Applications for planning permission are assessed against the National Planning Policy Framework and the policies within the Core Strategy for the Ribble Valley. The Local Planning Authority adopts a positive and proactive manner and will consider representations, liaise with consultees, and seek amendments to proposals where appropriate within statutory timescales.
2. The proposal does not comprise sustainable development and there were no amendments to the scheme, or conditions that could reasonably have been imposed, which could have made the development acceptable. It was therefore not possible to approve the application.
3. This Decision Notice should be read in conjunction with the officer's report which is available to view on the website.

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority

could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
