Address of Development: Colliers Farms Whalley Old Road Billington BB7 9JF

Comments: Construction and future usage (heavy vehicle traffic) of this agricultural building poses a risk to our main water supply pipe which runs in the vicinity of the site. We would appreciate a confirmation on how this will be addressed and secured both during the construction and after. We would also appreciate if the owner would confirm they will take accountability to ensure no adverse effect on the water supply and pressure during and after the construction.
