## Good morning,

I write in my capacity as Clerk to Grindleton Parish Council and at the specific request of the Parish Council.

Members have considered by email the above application for the proposed regularisation of change of use of land and construction of three stable buildings, no objections to the application as presented were expressed.

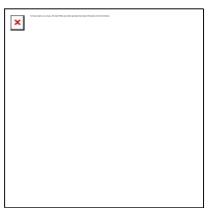

Observations are however that the application's reference to 'Equestrian' use suggests for private rather than business usage, and that the proposals to erect 7 stables is likely to increase vehicle and horse traffic on the roads at an already busy junction by the school.

best wishes

Tracey Boswell

Clerk and Responsible Financial Officer
