Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The residential care home has operated for over 20 years, operated under a C2 planning consent.
It is now proposed to use the building as a children's care home, which also falls with Use Class C2.
The Use Classes Order specifies classes for the purposes of Section 55(2)(f) of the 1990 Act, which provides that a change of use of a building or other land does not involve development for the purposes of the Act if the new use and the former use are both within the same specified class.
There is some case law which establishes that if the carers work on a rota basis and that it is not their permanent residence, the use must be regarded as C2 and not C3b. In the judgement of Mr. Justice Collins in North Devon District Council v First Secretary of State [2003]. J. Collins was clear on the facts of that particular case, that carers who do not live but who provide, not necessarily through the same person, a continuous 24-hour care cannot be regarded as living together and that, whilst there would be less than six residents, the children, without at least one adult living with them at the premises, would not be capable of being regarded in the true sense as a household.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
