FAO BEN TAYLOR  
REFERENCE 1 2 3 Skirden Lodge  
PLANNING REF: 3/2025/0093

Dear Mr Taylor

Thank you for taking the time to read this letter of support regarding the recent planning application as above. We are fully in support of the building being used for residential purposes. It makes complete sense to have a residential bungalow living alongside the other buildings and neighbours. It would create a safer and peaceful environment for us all. The building is very well hidden and not intrusive and would benefit our community and families. We build lasting relationships with our neighbours and support each other within the village of Tosside. I have heard horror stories of holiday lets spoiling the peace of the countryside with noise, hen/stag weekends and constant traffic coming and going at all hours. I would feel more safe and secure knowing who was living next door. I have taken the time to look at the proposed plans and would love to see the building take on a delicate and subtle new look and make good use of the space available.

Yours sincerely

Letter of support for Planning application reference

Dear Mr Taylor

I am in support of my neighbour's application for 1 Skindon Lodge, Tossile. I believe you are the Planning Officer in control of this file.

I hereby give my full support to this application as it would be much more peaceful to the neighbourhood being a residential property supporting the health needs of the family. The design is kinder on the eye and kinder to the environment being far more in keeping with countryside, it utilises a building which has been redundant for many years. I hope my feedback will be received and considered carefully as I believe it benefits the area greatly.

Yours sincerely

Good Day Ben,

[REDACTED] hereby grant my full consent and support of the application for planning of 1 2 3 Skirden Lodge Tosside.

I have lived in the village all my life alongside my neighbours and friends in this lovely community of people.

I do not find any reason why this proposal would be a problem to anyone.

I am a strong believer of villages growing stronger together with the support of each other. This village is proud to serve the needs of our locals.

Thank you [REDACTED]
