Dear Ms Hopkins,

**Application nos. 3/2025/0104 & 0105 Discharge of conditions, Writtenstone Farm,
Writtenstone Lane, Longridge**

Thank you for your consultation on this application.

The Written Scheme of Investigation (Project Design) submitted is appropriate for the levels of work we advised should be carried out prior to the development.

As is our usual approach in these cases we would advise the condition be part discharged to allow work to commence on the development but full discharge should wait until the report on the survey has been submitted.

If this raises any queries please contact us again.

Yours sincerely

Peter McCrone
