Dear Sir,

TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) ORDER 2015 SCHEDULE 2 PART 6 PRIOR NOTIFICATION OF AGRICULTURAL AND FORESTRY BUILDINGS AND ROADS

Proposal: Prior notification for proposed roofing over existing silage clamp under Part 6 Class A of the GDPO.

Location: Higher Highfield Farm Tinklers Lane Slaidburn BB7 4TP

I refer to your notification made under Schedule 2, Part 6 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended 2018) to determine whether full details are required for the above proposal.

On the basis of the information you have provided, I wish to inform you that the Council have resolved that Prior Approval of details is NOT REQUIRED prior to the commencement of any development. Please note that in order to comply with the legislation, the development must be carried out in accordance with the following conditions:

1. Unless otherwise agreed in writing, the development MUST be carried out in accordance with the details submitted to the Local Planning Authority, in particular the Application Form and drawing(s) labelled:

Proposed Plans DWG NO. ML/JM/630

2. The development must be carried out within a period of 5 years from the date on which the Council received your Application for Determination which was 17/02/2025.
3. The developer is to notify the Local Planning Authority, in writing within 7 days of the date on which the development was substantially completed.
4. Where the use of the building or extension for the purposes of agriculture within the unit permanently ceases within 10 years of the date on which the development was substantially completed; and planning permission has not been granted on an application, or has not been deemed to be granted under Part 3 of the Act, for development for purposes other than agriculture, within 3 years from the date on which the use of the building or extension for the purposes of agriculture within the unit permanently ceased, then, unless the local planning authority have otherwise agreed in writing, the building or, in the case of development consisting of an extension, the extension, must be removed from the land and the land must, so far as is practicable, be restored to its condition before the development took place, or to such condition as may have been agreed in writing between the local planning authority and the developer.

Your proposal may also require consent under the Building Regulations 1985, and I would advise you to contact the Borough's Building Control section, unless you have already done so.

Please contact Emily Pickup if you require any further information.

Yours faithfully

Nicola Hopkins
