Comments: We do not need another nail bar in Longridge, one has recently closed due to not being busy enough and is now a vape shop. There is already plenty of salons located in Longridge and girls that do nails from there home. The shop should be utilised for another type of business or changed back in to a house.

There is no parking at this shop for any clients. The road is already busy enough

Comments: I have concerns regarding this application, mainly due to the lack of parking in the area. [REDACTED] with no turning circle we already have considerable traffic up and down the street. There are no parking restrictions at the junction of Davis Street and Inglewhite Road, meaning cars park right up to the junction making it extremely difficult to make safe egress onto Inglewhite Road. There are already numerous nail bars and beauty shops where nail facilities are offered. I question whether another such shop is needed in Longridge.
