DEVELOPMENT PROPOSED: Outline planning application for up to 300 residential dwellings, associated access, rail station car park, green infrastructure and sustainable drainage systems (all matters reserved except for access).

AT: Land off Longsight Road Langho bounded by the railway Northcote Park and Wildmans Farm

Ribble Valley Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission **has been refused** for the carrying out of the above development for the following reason(s):

P.T.O

1. The proposed development would result in a large-scale residential development, outside of a defined settlement, which fails to meet any of the exception criteria for allowing development in such location contrary to Key Statements DS1 and H2 and Policies DMG2 and DMH3 of the Ribble Valley Core Strategy.
2. The proposed development, by virtue of the quantum of development, would result in a large-scale development in a rural location resulting in future users being reliant on a private motor vehicle contrary to Key Statement DM12 and Policies DMG1 and DMG3 of the Ribble Valley Core Strategy and the National Planning Policy Framework which supports sustainable patterns of development.
3. The proposed development, by virtue of its overall scale and footprint, would result in the introduction of an incongruous, unsympathetic, and discordant form of development, particularly when viewed from public vantage points along Longsight Road (A59) approaching the site from both the western and eastern directions, Public Footpath FP0606a which crosses the site and residential properties to the north of Langho village afforded direct views of the site. This would result in adverse, long term and permanent visual and landscape harm. The resultant impact fails to respond positively to the inherent visual and landscape character of the area contrary to Policies DMG1, DMG2, DME1 and DME2 of the Ribble Valley Core Strategy and the National Planning Policy Framework including paragraph 135.
4. The application fails to carry out appropriate assessments to fully assess the impacts of the development upon habitats within and adjacent to the site including whether appropriate protection and enhancement can be provided for protected species and their habitat. This is contrary to Key Statement EN4 and policy DME3 of the Ribble Valley Core Strategy and the National Planning Policy Framework.
5. The proposed development would result in the loss of existing habitat, hedgerow and watercourse units, with insufficient details being submitted to demonstrate an appropriate strategy for achieving the statutory requirement for Biodiversity Net Gain contrary to Schedule 7A of the Town and Country Planning Act 1990 (inserted by the Environment Act 2021).

Note(s)

- 1 Applications for planning permission are assessed against the National Planning Policy Framework and the policies within the Core Strategy for the Ribble Valley. The Local Planning Authority adopts a positive and proactive manner and will consider representations, liaise with consultees, and seek amendments to proposals where appropriate within statutory timescales.
- 2 The proposal does not comprise sustainable development and there were no amendments to the scheme, or conditions that could reasonably have been imposed, which could have made the development acceptable. It was therefore not possible to approve the application.
- 3 This Decision Notice should be read in conjunction with the officer's report which is available to view on the website.

**RIBBLE VALLEY BOROUGH COUNCIL
REFUSAL OF PLANNING PERMISSION CONTINUED**

APPLICATION NO: 3/2025/0196

DECISION DATE: 27th June 2025

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
