Kathryn,

As discussed, I proposed amending the timetable as follows:

Hotel use

It is proposed that the approved measures in relation to:

- Flood Risk Mitigation Measures;
- Cycle Storage; and
- Lighting Scheme

Will be implemented prior to the commencement of the use of the site for hotel purposes. This timetable will ensure that all proposed measures are in place at an appropriate stage to effectively manage and minimise flood risk, safe guard amenity and promote sustainable transport.

Warm Regards,

Joshua
