Dear Sir/Madam

Since my last email, I have been advised to point out that a Childminding business is being run from this property.

I am not sure if this is a licensed business.

Cars are parked on the road to drop off and pick up children.

This on road parking will be more apparent when the proposed extension is built, as there will be no side of house parking.

I enclose an image of a garage type building that was erected in the garden of no.31 a few years ago. I believe this is for use by the children.

Kind regards
