Dear Ms Hopkins,

**Application no. 3/2025/0309. Proposal: Approval of details reserved by condition 4 (written scheme of investigation) on Listed Building Consent 3/2024/0543. 1-3 Windy Street, Chipping**

Thank you for your consultation with the attached Written Scheme of Investigation (WSI) for the archaeological recording of the building.

The WSI is appropriate for the level of work we advised should be carried out in advance of, and during, the proposed works to the building.

In line with our usual approach in these circumstances we would advise partial discharge of the condition to enable work to begin but would retain it until the final report on the work is completed.

If this raises any queries please get in touch again.

Yours sincerely
