Comments: [REDACTED] have reviewed the plans online for our neighbours' proposed extension. We have [REDACTED] and they have kindly answered questions regarding the size and scale of the extension. We are pleased that they are improving the property. We note that the proposed extension is large, would be relatively [REDACTED] and would be visible [REDACTED]. However, on balance, we feel it will not be overbearing and will be an improvement upon the current conservatory and shed. Therefore, we do not object to the proposal. Given the proposed extension, we plan to plant additional small trees/shrubs [REDACTED]
