DEVELOPMENT PROPOSED: Demolition of rear lean-to extension and garage. Proposed single storey side and rear extensions to form garage, wc, utility and kitchen area.

AT: 18 Hornby Road Longridge Preston PR3 3RE

Ribble Valley Borough Council hereby give notice that **permission has been granted** for the carrying out of the above development in accordance with the application plans and documents submitted subject to the following condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. Unless otherwise required by condition within this consent, the development hereby permitted shall be carried out in complete accordance with the proposals as detailed on drawings:

Existing Location Plan (dwg no. 0293-1000)
(Amended) Proposed Site Plan (dwg no. 0293-2000 received 8th October 2025)
Proposed Plans and Elevations (dwg no. 0293-2001)

Reason: For the avoidance of doubt and to clarify which plans are relevant to the consent hereby approved.

3. The materials to be used on the external surfaces of the development hereby approved as indicated within the application form and on drawing 'Proposed Plans and Elevations' (dwg no. 0293-2001) shall be implemented as indicated.

Reason: In order that the Local Planning Authority may ensure that the materials to be used are appropriate to the locality.

4. No part of the development hereby permitted shall be occupied until such time as the parking facilities shown on the amended dwg no. 0293-2000 (received 8th October 2025) have been implemented in full.

The parking area shall be surfaced with porous hard bound material (not loose aggregate) or if surfaced in impermeable materials then the surface water runoff shall be drained within the site and to a suitable internal outfall. Thereafter, the onsite parking provision and porous material/drainage shall be maintained in perpetuity.

Reason: To ensure that adequate off-street parking provision is made and to prevent water being discharged and deleterious material being deposited onto the public highway.

Note(s)

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.
3. The Local Planning Authority has endeavoured to work proactively and positively to resolve issues and considered the imposition of appropriate conditions and amendments to the application to deliver a sustainable form of development.
4. This Decision Notice should be read in conjunction with the officer's report which is available to view on the website.

| 5. | 1 This consent requires the construction, improvement or alteration of an access to the public highway. Under the Highways Act 1980 Section 171 Lancashire County Council as the Highway Authority must specify the works to be carried out. Only a contractor approved by the Highway Authority can carry out these works. Therefore, before any works can start, the applicant must contact the Highway Authority on highways@lancashire.gov.uk to ascertain the details of such an agreement. More information can be found on Lancashire County Council's website at https://www.lancashire.gov.uk/roads-parking-and-travel/roads/vehicle-crossings/ |

Notes

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
