Ribble Valley Borough Council hereby give notice that **Listed Building Consent has been granted** for the execution of the works referred to above in accordance with the application and plans submitted subject to the following condition(s):

- 1 The development hereby permitted must be begun not later than three years from the date of this permission.

Reason: Required to be imposed by Section 18 of the Planning (Listed Buildings and Conservation Areas) Act, 1990.

- 2 The development hereby permitted shall not be carried out otherwise than in conformity with the following submitted plans and details and recommendations therein received by the Local Planning Authority unless prohibited by any other condition.

Proposed Plans and Sections drawing ref: 003

Reason: For the avoidance of doubt and so that the Local Planning Authority shall be satisfied with the details.

- 3 Samples or detailed specifications of any replacement flooring shall be submitted to and agreed in writing by the Local Planning Authority prior to their installation. The works shall be carried out only in accordance with the agreed materials.

Reason: In order that the Local Planning Authority may ensure that the detailed design of the proposal safeguards the special architectural and historic interest of the Listed Building.

- 4 All works of the development hereby approved shall be carried out in accordance with the methodologies as specified in the Heritage Description And Method Statements July 2025.

Reason: To preserve the special architectural and historic interest of the Listed Building.

- 5 No development including any demolition works shall take place until the applicant or their agent or successors in title has secured the implementation of a programme of building recording, analysis and reporting work. This must be carried out in accordance with a written scheme of investigation, which shall first have been submitted to and agreed in writing by the Local Planning Authority. The programme of works should be phased, phase 1 being the creation of a record of the building to level 3 as set out in "Understanding Historic Buildings" (Historic England 2016); and phase 2 being a watching brief during works to the building to record any features or fabric revealed by the work. The final report should combine the results of both phases. The work must be undertaken by an appropriately qualified and experienced professional contractor to the standards and guidance of the Chartered Institute for Archaeologists. A copy of this record shall be submitted to the Local Planning Authority and the Lancashire Historic Environment Record.

Reason: To ensure and safeguard the recording and inspection of matters of archaeological/historical importance associated with the site.

- 6 Unless otherwise agreed in writing with the Local Planning Authority, the development hereby approved shall be carried out in complete accordance with the mitigation measures detailed/recommended in sections 5.1 - 5.2 (Recommendations) of the submitted Ecological Appraisal titled "Bat Survey Report" dated September 2024 and carried out by Knight Sky Ecology.

Reason: In the interests of biodiversity and to enhance nesting/roosting opportunities for species of conservation concern and reduce the impact of development.

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
