TO MAYA COLLEN

PLANNING APPLICATION 3/2025/0530

DEAR MADAM

19 AUG 2025

THERE IS REF TO FRONT AND
SIDE ELEVATION BUT NOT TO THE BACK

I HOPE ALL ROOFLIGHTS AND FIRST FLOOR
WINDOWS APPLIES TO THE BACK..

I STILL THINK THAT THE ROOF HEIGHT
SHOULD BE LOWERED AS THE DIFFERENCE IN
HEIGHT SEEMS DELIBERATE.

YOU MAKE REF TO HEDGES AT FRONT
OF BUILDING BUT NOTHING AT THE BACK.

THERE WHERE MATURE BEECH TREES THESE WHERE
CUT DOWN, NOTHING TO REPLACE THEM SO NOT
IN KEEPING WITH THE LANDSCAPE.

SO NOTHING [REDACTED]
THE HOUSE WITH LOTS OF WINDOWS.
