Address of Development: The Market Place Longridge PR3 3RR

Comments: I have concerns about the comings and goings of the children and parents who will use this site, as stopping a car outside the frontage will cause problems to the flow of traffic on the busy and narrow Market Place.

Access to the rear is very restricted as Brewery Street is a single carriageway and terminates in a private carpark belonging to Plessington Court and is used by the residents and carers who already experience difficulties with unauthorised traffic entering the carpark. I fail to see how this facility is going to operate without causing major traffic problems to the area and residents. I therefore register my objection to this development.
