Address of Development: The Palace,
Market Place,

Comments: Having looked at the plan we have no objections in the proposals but would kindly ask, why there is a need for a cycle store, as the children will be accompanied by adults. Also can you ask the applicant if they could advise us of numbers of staff and parking for them as well as for the customers(children and parent) as Market Place is already a busy main road, and the rear of the cinema has a limited access via Brewery Street for Fire appliances and ambulances, perhaps a travel plan would help to alleviate our concerns, or highlight them further
