APPLICATION NO. 3/2025/0616

DECISION DATE: 24 October 2025

4. Before the widened parking area is used for vehicular purposes, it shall be appropriately paved in tarmacadam, concrete, block pavements, or other hard material to be approved by the Local Planning Authority.
The car parking and turning areas shall thereafter be kept available for the parking and manoeuvring of vehicles at all times.
Reason: To prevent loose surface material from being carried on to the public highway thus causing a potential source of danger to road users and in the interest providing adequate parking.
5. Before the development hereby permitted becomes operative, the vegetation planted on the highway frontage of the site shall be reduced to and be permanently maintained henceforth at a height not greater than 0.9m above the nearside carriageway level.
Reason: To ensure adequate visibility for the drivers of vehicles entering and leaving the site.
6. The surface water from the approved driveway should be collected within the site and drained to a suitable internal outfall. Prior to commencement of the development details of the drainage strategy shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details.
Reason: In the interest of highway safety to prevent water from discharging onto the public highway.

Notes

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

APPLICATION NO. 3/2025/0616

DECISION DATE: 24 October 2025

-
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
 - If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
 - If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
