Ribble Valley Council

Planning application 3/2025/0651 Sugar Hill Farm Whitewell Road Cow Ark BB7 3DG

Thank you for consulting the Ecology Unit on the above planning application.

I would raise no objections to the application on Ecology grounds.

I would accept that the planting of the proposed hedgerow will provide the required compensation, and the required biodiversity net gain, to off-set the impacts of the development.

Yours

Derek Richardson
