To whom it may concern

We have received a letter today regarding the planning application for the above. We are the [REDACTED] which will be the [REDACTED] to the proposed planning application and we have no concerns regarding the planning being passed.

We have no worries that the stables and storage will be well maintained and looked after. It will also be nice to see the land being used for horses.

If you required anything else from us please do not hesitate to contact us.
