Good afternoon

I have received a letter through the post regarding the titled application for a two storey extension.

I live at [REDACTED] but none of the plans show this.

As the plans show, my only concern is the further encroachment [REDACTED] - already with [REDACTED] - to bring an extension [REDACTED] the proposed 2 windows on the first floor looking [REDACTED] will leave me with no privacy at all. Maybe a suitable alternative is [REDACTED] - velux windows. You can see from my [REDACTED]. I would like the same courtesy.

To make you aware - the neighbours of [REDACTED] had some work completed in the garden back in 2020 which was undertaken to a very poor standard and as a result the sewage pipe was blocked and over time and unknown to me the [REDACTED] and resulted in my [REDACTED].

Naturally anymore work that takes place [REDACTED] and I would need some reassurance that the works being undertaken are done properly, safely and to regulations.

Thank you for reading the above concerns. If those issues are addressed then I have no further concerns regarding the application

Kind regards

[REDACTED]
