Dear Sir/Madam,

**THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND)
REGULATIONS 2012, SI No. 605
APPLICATION FOR CONSENT TO CARRY OUT WORKS TO PROTECTED TREES
APPELLANT: Dave Forrest
SITE AT: Land to the Rear of the Hazels, Wilpshire, Blackburn, Lancs, BB1 9HZ**

We have received the above-cited appeal against your decision on an application to carry out work on a tree protected by a tree preservation order. The appellant will have sent a copy of the notice of appeal to you.

I am the case officer for the appeal and can be reached using the telephone number and email address at the top of this letter. When contacting me please quote the above reference.

You will note that the appellant has opted for the written procedure. We will assume that your Council is happy to proceed via the written procedure.

Please carefully read through the questionnaire found at the end of this letter and then complete the form and return it to me, together with copies of the documents cited on it, within 2 weeks of the date of this letter. If we do not receive your completed questionnaire within the specified period, we will progress the appeal without further notice. Please ensure that you send a copy of the completed questionnaire and associated documents to the appellant or their agent. If you have reason to believe that the appeal is invalid e.g. it has been submitted out of time or the appellant is not the person who made the application, ignore the questionnaire and simply provide the relevant information bringing your observations to our attention.

If the appellant has not seen any particular associated document that you provide with the questionnaire (such as an officer's report which may have informed your decision) then they will be given an opportunity to comment on it if they so wish.

We draw your attention to the national planning practice guide Tree Preservation Orders and trees in conservation areas, and the following guidance [Tree Preservation Orders - consents for works - A Guide for Appellants - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/organisations/planning-inspectorate) which explains that we will decide which procedure is adopted. Further guidance is available via the Government's Planning Practice Guidance [Tree Preservation Orders and trees in conservation orders - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/organisations/planning-inspectorate). The guidance explains how the written procedure operates.

If you are able to resolve this dispute with the appellant at any time during the appeal process before the site visit, please let me know. This would enable the withdrawal of the appeal and a consequent saving of time and public resources.

Finally, information on the awards of costs, which is applicable to appeals proceeding by way of a hearing, inquiry and the fast-track procedure, may be accessed through the Government's "*Planning Practice Guidance*" website:

<http://planningguidance.communities.gov.uk/blog/guidance/appeals/the-award-of-costs-general/>

This guidance is also being brought to the attention of the appellant.

Yours sincerely,

Bertie Bishop
