Planning Application Reference No.: 3/2025/0870

Address of Development: 18 Accrington Road, Whalley BB7 9TD

Comments: Whilst I have no concerns about the building being converted to offices, besides the obvious noise, dust & inconvenience of the building work. I do have concerns about the complete lack of staff parking provision. Unfortunately the village is already stretched to capacity during the day, parking is extremely limited & residents struggle to be able to park anywhere near their own houses during the day because workers & visitors who don't want to pay for parking are taking those spaces. There must be a proper plan in place for employees who drive to work in the village, if they can't provide this in the rear yard of the premises then maybe a parking permit for the co-op or swan car parks? But they should not be parking on Accrington Road or the surrounding streets.
