Probable remains of Roman road agger

Possible remains of Roman road ditch

Roman road features derived from lidar data marked by Mike Haken, 11 Nov. 2020.

These interpretations are approximate only, based upon a manual overlay of Environment Agency lidar imagery and should not be regarded as a precise representation of the location of archaeological features

Jackson–Crane

Project Name
Higher Road, Longridge, Preston, PR3 2YX

Project Address
Higher Road, Longridge, Preston, Lancashire, PR3 2YX

Client
Mr Neil Richards
