Comments: As a local [REDACTED] I have no problem supporting this application for a dog day care facility managed by [REDACTED].
Valley View Pet Services are a very professional business.
The present dog day care facilities are in keeping with the surrounding area and are kept exceptionally clean.
The dogs are transported in the day care vans. I do not see extra traffic/customers at the site
The dogs attending are kept busy with fun activities and equipment for play and stimulation.
They always appear to have the right ratio of staff for the dogs in their care
These staff I find to be friendly & professional and local to the area.
I live not far from the site and noise is minimal if at all.
More noise from rip roaring traffic using Whinney Lane as a race track!
I wish the small business well & best of luck with their application
