Planning Application Reference No.: 3/2025/0953

Address of Development: Greenbank Park estate, Higher Road, Longridge

Comments: This site was built on the premise it was to be a holiday park, which it was never going to be, as witnessed by previous developments of [REDACTED]. From day one these properties have been long term let, not the 3 months as approved. Giving planning approval now is almost endorsing riding roughshod over the planning regulations. The only reason he is now applying for official approval is he probably wants to sell off the properties.
