**AT:** 33 Shipton Road Clitheroe BB7 2RZ

Ribble Valley Borough Council hereby give notice that **permission has been granted** for the carrying out of the above development in accordance with the application plans and documents submitted subject to the following condition(s):

1. Unless explicitly required by condition within this consent, the development hereby permitted shall be carried out in complete accordance with the proposals as detailed on drawings:

Location Plan

Proposed Drawings (amended version received 23/03/2026)

Reason: For the avoidance of doubt and to clarify which plans are relevant to the consent hereby approved.

2. The materials to be used on the external surfaces of the development as indicated on the Householder Application Form 3/2025/0980 hereby approved and as contained within the submitted information shall be implemented in accordance with the approved details.

Reason: To promote sustainable forms of transport in the absence of parking provision.

### **Notes**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision, then you must do so within 6 months of the date of this notice unless the following apply:

- If this is a decision to refuse planning permission for a householder application or a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice [reference], if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.

Appeals should be made online via <https://appeal-planning-decision.service.gov.uk/before-you-start>. If someone does not have access to the internet and needs help completing the appeal digitally, they should contact the

Planning Inspectorate customer service team on 0303 444 5000 who will provide details of support options available.

Before making an appeal, you may find it helpful to review guidance and watch a video explaining the appeals process at <https://www.gov.uk/government/collections/make-an-appeal-to-the-planning-inspectorate-and-associated-guidance>.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
